RECREATIONAL USE VEHICLE ENDORSEMENT

We agree to insure your insured auto(s) named below, including equipment and accessories which are built into and form a permanent part of the unit. However, awnings, cabanas or equipment designed to create added living space; household furnishings and furniture; and television antennas are not covered.

If a covered loss to your insured auto exceeds the applicable deductible shown in the declarations page, we will pay up to \$250 for direct and accidental damage to personal property:

- 1. owned by you or a household member; or
- 2. for which you are legally liable and which is contained in your insured auto.

However, this coverage applies only if the damage to the personal property results:

- 1. from the same auto accident and the same cause of loss as the damage to the auto; and
- 2. not from theft.

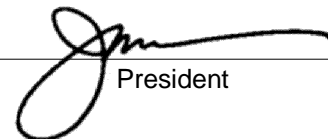

We will not pay for any loss or damage if your insured auto(s) named below is used as permanent living quarters.

This endorsement applies only to your insured auto(s) as follows:
