

Membership AAA Auto Pay Plan Credit or Debit Cards Terms and Conditions

About 45 days before your AAA membership expires, we, your AAA club, will send a statement of your current services and renewal dues amount. We will automatically renew your membership and charge the dues shown on your statement to your credit or debit card on file about 15 days prior to your renewal date, unless you contact us to make a change to or cancel AAA Auto Pay. If we are unable to process the charge, we may cancel your AAA Auto Pay enrollment and you will be contacted by mail and/or by phone and provided the opportunity to renew by mail or phone or online at AAA.com or your local AAA branch office. At that time, you may also re-enroll in the program with updated credit or debit card information.

If your VISA, MasterCard, Discover or American Express credit or debit card issuing bank participates in the Card Account Updater program, we may receive an updated credit or debit card account number and/or expiration date for the card information you have previously provided us, unless you Opt Out of the service with your issuing bank. We will update our files and use the new information when we bill you under AAA Auto Pay. We won't receive updated information if your account has been closed. Debit card available with VISA/Mastercard only.

You may update your account number and/or expiration date, change your membership options or cancel AAA Auto Pay at any time by contacting us at 1-800-441-5008 or at your local AAA branch office.
